

To:

Dear _____,

Please allow me the honor of informing you on the 8th edition of Cybertech Global that will take place in person on April 5-7 in UAE-Dubai. Cybertech Global UAE-Dubai will include a professional conference, special summits, 3-day exhibition, startup pavilion and B2B platform.

Cybertech Global UAE-Dubai is organized together with the Israeli National Cyber Directorate and its counterparts in the UAE - the Dubai Electronic Security Center (DESC), and the National Electronic Security Authority (NESA). The event will bring together High-Ranking Government Officials, Decision-Makers, End-Users, Entrepreneurs, Collaborators, Investors, Accelerators, Innovation Hubs, Academia, companies and startups from Israel, GCC States and around the globe.

Cybertech Global UAE-Dubai will serve as an outstanding platform for delegations to get to know the latest cyber innovations, meet counterparts, create new business opportunities, grow brand awareness, exchange knowledge with leading experts and broaden the professional network.

We will be delighted to work in collaboration with the Israeli embassies around the globe and bring in a joint effort high level speakers and delegations consisting of government, industry and academia representatives.

Sincerely,

Amir Rapaport
Founder of Cybertech
